

FOREXPLUS.COM PRIVACY STATEMENT

Your privacy is important to Forexplus.com. This privacy statement provides information about the personal information that Forexplus.com collects, and the ways in which Forexplus.com uses that personal information.

We do not knowingly collect or solicit personal information from anyone under the age of 13 or knowingly allow such persons to register on Forexplus.com. If you are under 13, please do not attempt to register or send any information about yourself to us, including your name, address, telephone number, or email address. No one under age 13 may provide any personal information to us. In the event that we learn that we have collected personal information from a child under age 13 without verification of parental consent, we will delete that information as quickly as possible. If you believe that we might have any information from or about a child under 13, please contact us at domains@forexplus.com.

This document was created using a Contractology template available at <http://www.freenetlaw.com>.

Personal information collection

Forexplus.com may collect and use the following kinds of personal information:

- Information you provide to us: When you register for a Risk-Free VT Trader Demo Account, subscribe for our mailing list, communicate with our customer service team, or send us an email, you are providing information that we collect. This information may include your IP address, name, physical address, email address, phone number, credit card information, and other details like gender, occupation, and other demographic information. By giving us this information, you consent to your information being collected, used, disclosed, and stored by us.
- Information from your use of the website: We may get information about how and when you use the website. This information may include your IP address, how and from where you browsed to or searched for our website, device used time, date, browser used, and actions taken by you within the website.

Using personal information

Forexplus.com may use your personal information to:

- administer this website;
- personalize the website for you;
- enable your access to and use of the website services;
- publish information about you on the website;
- send you marketing communications;
- transfer your information by means of a sale, merger, consolidation, or acquisition.

Where Forexplus.com discloses your personal information to its agents or sub-contractors for these purposes, the agent or sub-contractor in question will be obligated to use that personal information in accordance with the terms of this privacy statement.

In addition to the disclosures reasonably necessary for the purposes identified elsewhere above, Forexplus.com may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Cookies

A cookie is a small file placed on your computer's hard drive. It enables Forexplus.com to identify your computer as you view our website. We may use our cookies to:

- Analyze our web traffic using an analytics package
- Test content on our website
- Store information about your preferences
- Recognize when you return to our website

Securing your data

Forexplus.com will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information.

Forexplus.com will store all the personal information you provide on its secure servers or on the servers of its data providers.

Cross-border data transfers

Information that Forexplus.com collects may be stored and processed in and transferred between any of the countries in which Forexplus.com operates to enable the use of the information in accordance with this privacy policy.

In addition, personal information that you submit for publication on the website may be published on the internet and may be available around the world.

You agree to such cross-border transfers of personal information.

Updating this statement

Forexplus.com may update this privacy policy by posting a new version on this website.

You should check this page occasionally to ensure you are familiar with any changes.
